IndUS Future Fund Established

IndUS has joined hands with Community Foundation of Fox Cities (CF) to establish IndUS Future Fund. Each year, IndUS will be able to use the investment income toward charitable causes. CF, with over \$100 million dollar in assets, has emerged as a very responsible trustee of public funds. Last year, CF made \$8.7 million in grants to 412 nonprofit organizations.

IndUS and Charity

One of the main goals of IndUS is to engage in charitable activities. Scores of IndUS volunteers are engaged in voluntary activities in the Fox Valley, helping make this community a truly a great place to live. IndUS has been active with Salvation Army, SAMP project of the Rotary Club and similar organizations. IndUS donations have helped earthquake victims in India, Salvation Army of Appleton Firefighters of New York, and Shama Inc. of Stevens Point.

IndUS spends 60% of its charity dollars locally, in Fox Valley.

How Can You Help?

We need your help in growing the IndUS Future Fund. We welcome your donations in cash, stocks, real estate, artwork, insurance etc. Several companies match employee volunteer hours with their matching contributions. We request to nominate IndUS as a beneficiary. IndUS is a nonprofit organization under section 501 (c) (3) of IRS and your contributions are generally tax deductible

Your Favorite Projects

Under the umbrella of IndUS Endowment Fund, it is possible to establish funds that benefit your favorite charitable project. The only specification is that the projects benefit the needy irrespective of one's religion, race, ethnicity, nationality or political belief. We can discuss with you how to channel your contributions to causes of your choice.

Please mail your donations or inquiries to IndUS, 3600 N. Shawnee Ave., Appleton, WI 54914.
